

SERVICES & PACKAGES

The Clover Suites 幸孕阁 is Singapore's licensed premium boutique hotel concept that caters exclusively to moms with new babies.

By combining the expertise of medical practitioners and wellness specialists, and Eastern and Western health modalities, Clover Suites bills itself as an integrated wellness haven setting new standards in pre- and post-partum care.

ABOUT 幸孕阁

“ Located in a 4-storey brand new building in posh Siglap Area, it will soon be transformed into a contemporary, boutique-inspired suites and medical care experience for mothers with newborns. “

Clover Suites will feature low density 9 luxury rooms, a boutique spa for aesthetic body treatments, pre and postnatal massages, hair and beauty salon, and a café lounge with accompanying medical clinic

Jamu Postnatal Massage & Bengkung Wrap

Our traditional Jamu Postnatal massage incorporated In combination with the Bengkung wrap, it works to shape your abdomen back to its pre-pregnancy state

- Expels wind
- Reduces muscle pain and migraines
- Improves blood circulation
- Helps regain beauty, strength and vitality

Lactation Breast Massage

Our signature breast lactation massage aids to increase milk supply and reduce breast engorgement through specialised massage techniques

- Reduces breast engorgement
- Reduces sagging
- Reduces mastitis
- Increase milk supply

Premium Facial Treatment

Personalized combination of varying main facial treatments protocols like the micro-dermabrasion process; exfoliation treatments or even extraction treatment processes on the facial skin in a bid to bring it back to its prime condition

- Hydrating facial treatment
- Anti-aging facial treatment
- Purifying facial treatment
- Skin rejuvenation facial treatment

Premium Herbal Hair Wash

Personalized combination of hair treatment to observe personal hygiene during the confinement month.

The herbs are essential for postnatal mummies recovery as they help to improve blood circulation in meridians, dispel wind, dampness and relieve pain.
